Dear Harold,

Enclosed is a copy of my memo to Jim on David Kroman. The contents are for your information and not for publication without Kroman's permission.

I spoke with Bradley last nite, but could add nothing to the L.A. Times story of the next morning. I didn't hear KHJ's report, but I understand it was extremely well done. I'll speak to Jim or Art tomorrow (couldn't reach them today) and get a copy. Do you have anything on him?

I seem to recall that he was the man arrested in Fort Worth on 11/22, but cannot be certain. I seem also to recall that Jim has a photo.

That's about all for now. WE're thinking of forming a L.A. t&C. I've written Rault.

Best,

Steven J. Burton
